

Advantage for Suppliers

The new platform offers a range of advantages to our suppliers and us:

Advantages starting with Golive

- JAGGAER will apply for **all** Packaging Technology plants. This means, the suppliers will **not need to provide double information data** for every buyer/ plant anymore. Once the information is in the system, all the plants will be able to see the information and **extend the supplier to other plants** if wished!
- **No more tedious forms** from different buyers. The supplier portal offers the supplier an easy, fast and concise way to enter company data.
- Registration on JAGGAER Direct is **free of charge** to the supplier.
- JAGGAER offers a **free of charge web-EDI interface**.
- Suppliers can **show their full range of services and product offerings** to Packaging Technology in JAGGAER.
- The platform offers superior **data consistency**, as each supplier directly maintains its own company master data.
- The platform offers **transparency for supply contracts**.

Advantages in the near future

- Supplier evaluations by Packaging Technology will be made visible to the supplier in the tool.
- The supplier will be able to see the uploaded contracts and price agreements by Packaging Technology in the future.
- Moreover, in the future Packaging Technology will implement an eRFQ process and Auctions via JAGGAER Direct.
